Jul 28, 2011 Call of Duty 4 Modern Warfare is a game about war and war is hell. If you don't agree that truth, then forget about going all fancy on Call of Duty 4. But if you do agree, then you are going to like it a lot. COD4 has a simple and easy to understand interface with some great weapons and land, naval, and air vehicles. Regardless of how long you have played First Person Shooters, COD4 still stands out as a great game. COD4 is designed with you in mind and from the very beginning, you are given some amazing perks and weapons that you will be using throughout the entire game. COD4 will have you battling it out with enemy after enemy and using the environment to your advantage. Land, sea, and air vehicles will all be used to your advantage while your sniper rifle helps you out with precision. The very environment of war is a common enemy and you must use all of your resources to keep your enemies off of your back and keep yourself alive.
