Wondershare AllMyTube Crack+ Free Registration Code [Win/Mac]

Wondershare AllMyTube Cracked Accounts is a software application built specifically for helping users download clips from various online services, such as Facebook, Vimeo, Metacafe, Dailymotion, Vevo, or Google, and convert them to a suitable video format. The layout is intuitive enough to be configured without having to consult a help manual or watch online tutorials. The program gives you the possibility to paste the URL in the primary panel, play or pause the video selection, go to the previous or next item, adjust the volume, seek for a position in the video streams, and switch to a full screen mode. When it comes to conversion operations, you can select the output format from a wide range of video formats, such as MOV, WMV, MKV, MPEG, FLV, AVI, or DV, encode clips to formats suitable for mobile phones, game consoles, and Apple devices, and extract the audio streams and export them to MP3, AIFF, FLAC, WAV, WMA, OGG, or other file formats. The audio parameters can be configured in terms of encoder, sample rate, channel, and bitrate, while the video ones can be tweaked by selecting the encoder, resolution, frame rate, and bitrate. What's more, you can delete the original video at the end of conversion task, upload items to your iTunes library, and open the target location when the conversion operation is completed. Wondershare AllMyTube enables you to automatically resume unfinished tasks on startup, show popup notifications on successful downloading events, pick the saving directories for the downloaded and converted clips, and limit the number of simultaneous downloads to a user-defined number. Last but not least, you can embed a Download button on Internet Explorer, Firefox, and Chrome for quickly accessing the program's functions. During our testing we have noticed that the tool carries out a task quickly and provides very good video and image quality. It doesn't eat up a lot of CPU and memory, so the overall performance of the computer is not hampered. All in all, Wondershare AllMyTube proves to be a reliable video downloader that offers support for a powerful suite of features. Thanks to its intuitive layout, it suits rookies and professionals alike. Wondershare AllMyTube - For Media and other questions, please contact us at: support@ins
