Wahlberg's girlfriend, identified as Amanda Parvis, was also arrested. It's unknown what led to the argument that caused the incident. TMZ spoke to Amanda's brother, who said, "He got in a fight with her brother. He tried to calm the situation down, and then the cops started barking at him. He told them he didn't want to go to jail and they arrested him." Amanda was released later that evening after her brother posted a $1,000 bond. TMZ further reported that just over a week before the incident, Wahlberg was involved in another standoff when police tried to stop him from leaving his house at 8:30 a.m. A man and woman, both 30, were in the home with Wahlberg but were not arrested.
